CIPET JEE 2018

A computer Based Test for Admission to Diploma, Post Diploma and Postgraduate Diploma Courses of CIPET for the Academic Year 2018-19.

About CIPET

Central Institute of Plastics Engineering & Technology (CIPET)- an ISO 9001:2008 QMS, ISO 17025, ISO 17020 accredited premier Institute under the Department of Chemicals & Petrochemicals, Ministry of Chemicals & Fertilizers, Govt. of India- was established in 1968 with objective to develop human resources for the benefits of Plastics and allied Industries. Today CIPET has a Pan India presence and operate on hub and spokes model with 35 locations to cater more effectively to the need for skilled manpower of Plastics industries. All these centres are equipped with the state-of-the-art technical infrastructure in the areas of Design, CAD/CAM/CAE, Tooling, Plastics processing, Testing and Quality Assurance. The course syllabi as well as curricula for Diploma programmes are the same across CIPET Centres, and award of Diploma to students is being carried out centrally by Directorate of Academics, CIPET Head Office, Chennai.

CIPET offers training to the Indian and International students for the growth of Plastics and allied industry in India and abroad. Admissions to all **Diploma, Post Diploma and Postgraduate Diploma Courses of CIPET for the Academic Year 2018-19**, at its campuses across India for the academic year 2018-19 will be made on the basis of a Computer based Test conducted by CIPET. This test will be referred to as '**CIPET Joint Entrance Exam- 2018**'; in short as **CIPET JEE 2018** hereafter in this document.

Admission Regulations for CIPET Diploma Programs

1. For all Post Graduate Diploma, Post Diploma & Diploma courses, selection will be based on the performance in the CIPET JEE 2018, which will be conducted on 1st July 2018.
2. CIPET follows reservation for SC/ST, OBC (NCL) candidates and physically challenged (handicapped) candidates as per Govt. of India norms.

INSTRUCTIONS FOR FILLING UP THE APPLICATION FORM (2018-19)

GENERAL INSTRUCTIONS:

- I. The tests will be “Computer Based Test”. “Computer Based Test” means the candidate sits in front of a computer and the questions are presented on the computer monitor and the candidate answers the questions on the computer through the use of keyboard or mouse. Each computer is connected to a server, which prepares the question set and delivers it to the candidate on the computer.
- II. The tests are generated from a large question bank and different candidates will get different question sets. An expert committee will ensure that the question sets are of comparable difficulty level, content, question type etc. In this matter, the decision of the expert committee will be final and binding on the candidate.
- III. The test assumes that the candidate has basic familiarity with computers, keyboard and mouse operation. It is the responsibility of the candidate to acquire these skills before appearing in the test and the Institute cannot take responsibility for the same.
- IV. The Institute is planning to operate test centers in different cities. The final list of centers and actual days of operation will be announced to candidates through the CIPET admission website <https://eadmission.cipet.gov.in/>. The Institute cannot guarantee that test centers will be set up in all these cities. Further, the Institute reserves the right to cancel any test center if such a situation arises. In such cases, those candidates allotted to these centers will be accommodated in alternate test centers
- V. CIPET JEE 2018 will be conducted on 1st July 2018
- VI. The final list of the centers will be announced on CIPET admission website <https://eadmission.cipet.gov.in/> after all the applications are received.
- VII. The exam will be conducted in four slots.
 - The first slot will be from 9.00 AM to 11.00 AM,
 - The second slot will be from 11.00 AM to 1.00 PM,
 - The third slot will be from 2.00 PM to 4.00 PM and
 - The fourth slot will be from 4.00 PM to 6.00 PM.

- VIII. The candidate must fully obey the rules of the test centers; otherwise he/she will be automatically debarred from the test.

THE CIPETIAN.....

Important factor for a career building aspirant in technological field is to believe that they are in the right profession and their education is relevant to the present as well as emerging context. The technical pedagogy must have synergy with the scenario and should be capable to find rhythm to proceed forward by adding distinctive flavour in the personality.

Having gone through a blend of knowledge and skill, he develops adequate interest in industrial activity and start communicating effectively. He has sufficient mastery to understand and appreciate the scientific facts of Plastics Engineering & Technology. He is exuberant, has enough confidence and entrepreneurial capability. He is constantly engaged in untiring efforts to attain perfection and entrepreneurship. He walks (out of the Institute) as CAD/CAM Engineer, Production Engineer, Quality Control Engineer, Maintenance Engineer or Competent Mould Maker and contribute for economic prosperity of plastics industry.

He must be a "CIPETIAN".

MEETING EXPECTATIONS

"I became an Entrepreneur having undergone CIPET programme. Even today, CIPET lived to the expectations of the industries. We at industries would appreciate CIPET continuing to modernise the facilities in the coming days".

Amirtha Lingam.K (1985)
Zylux Components, Bahadurgarh (HR)

CONTRIBUTION IN CAREER BUILDING

I personally appreciate the contribution given by CIPET to me to reach this level in Mumbai by setting up a small-scale industry in plastics injection moulding.

The knowledge I got from CIPET by doing Plastic Mould Design after doing the mechanical Engineering Diploma has helped me to set up small scale industry of my own.. We have full fledged moulding facility in Mumbai as well as in Bangalore

Anil Kumar (1984)
Proprietor, M/s Poly Products, MUMBAI.

IMPARTING SKILL

"CIPET is one of the special Technical Institute in the field of plastics. Due to the professional Teaching & Industrial exposure it has made me capable of handling a 15 crore turnover company as a General Manager with 200 nos. of employees at Oman. CIPET helped me to reach the acme of success in my career.

A .K. Rajesh Babu(1990)
